Stella entered the playroom with her mom. *It was the first day of her class and she was super excited but a little nervous.*

Stella got closer to them and shook their hands warmly.

Say hi to Stella kids.

Hi Stella

Hi

Hello

"I'm leaving my dear. Play with your friends and Ms. Jodi. You will have a great time here with your new friends. I'll come back in an hour."
Her mother said and left the playroom.

After a couple of minutes Stella felt lonely and started crying loudly.
"I need my mom, mooom, where is she!?" she shriecked.

Ms. Jodi went to her and tried to calm her down but she didn't stop crying. So, Ms. Jodi didn't have any choice except to call her mother.

HOOOM

Stella misses you, she wants
to see you here again.

After thirty minutes
her mother came
back.
"I went shopping to
buy a special gift for you my dear."
Stella`s mother explained.

She took out a watch from her handbag which had a picture inside.

"Look, this is a photo of us, me and you."

Her mother added excitedly.

"Whenever you miss me just look at it and remember how much I love you. I`m always here in your heart."

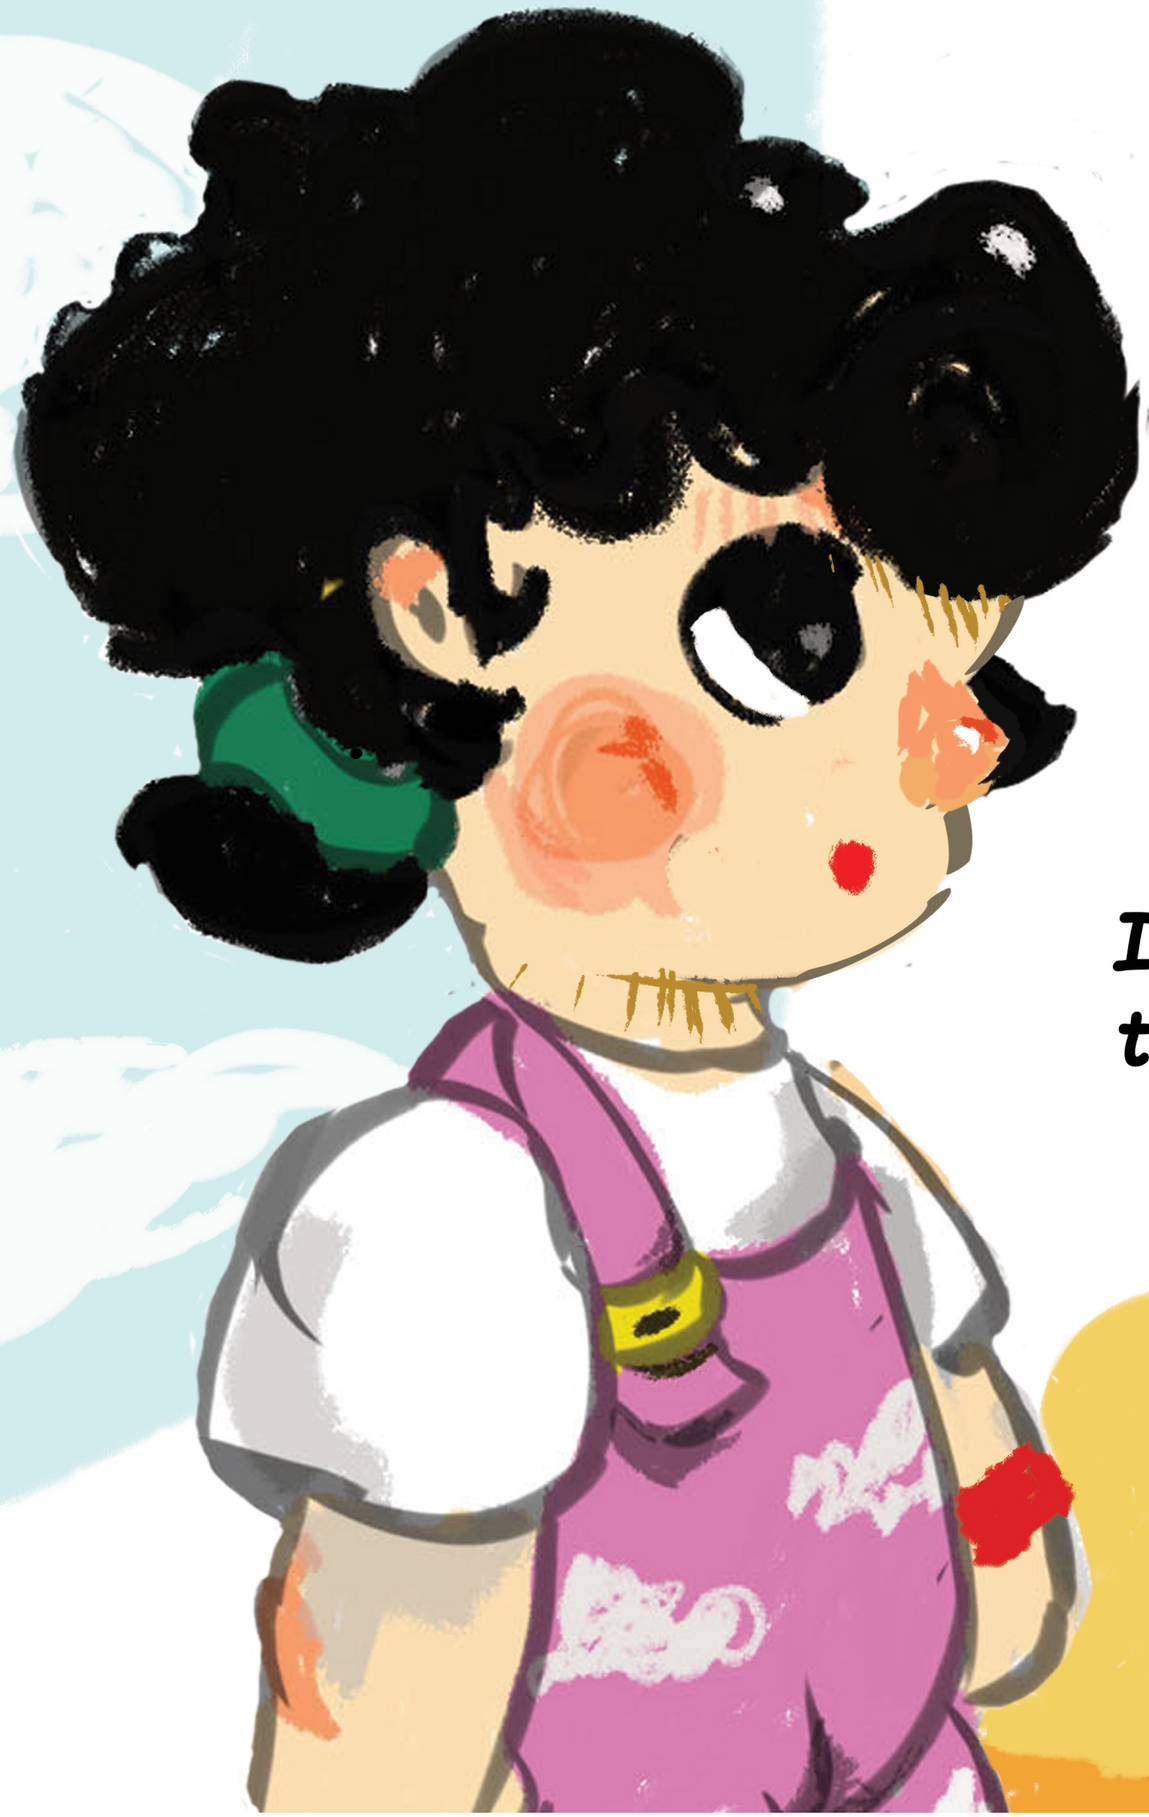
Her mother said while she was pointing at Stella`s heart.

Then, she blinked at Ms. Jodi and left the playroom in a mysterious way.

"Stella, come here, we are making a train,"
one of the kids said.
"Don't you want to join us?"

After several minutes, she missed her mom again but this time she didn't cry. She just looked at the watch and remembered what her mom told her.

"I have a watch too."
Someone whispered.



"I'm Sarah, your new friend."
Sarah said.
"Shhh, don't tell anyone,
I have a watch too. It's better
to say that all the kids have one
of these."She said.

"This is a secret between
mothers. Look at others."
Sarah said.
Stella got shocked.

She was right. All the kids had a watch but in different colors.

They missed their
mommies too!
But what about now?

They had your
problem on the first day.
But, they learned that
we love people by our hearts,
being away from them
doesn't change our
feelings.

Let's join them.

Then, they started playing, jumping, and singing.

After an hour Stella's mother came back.

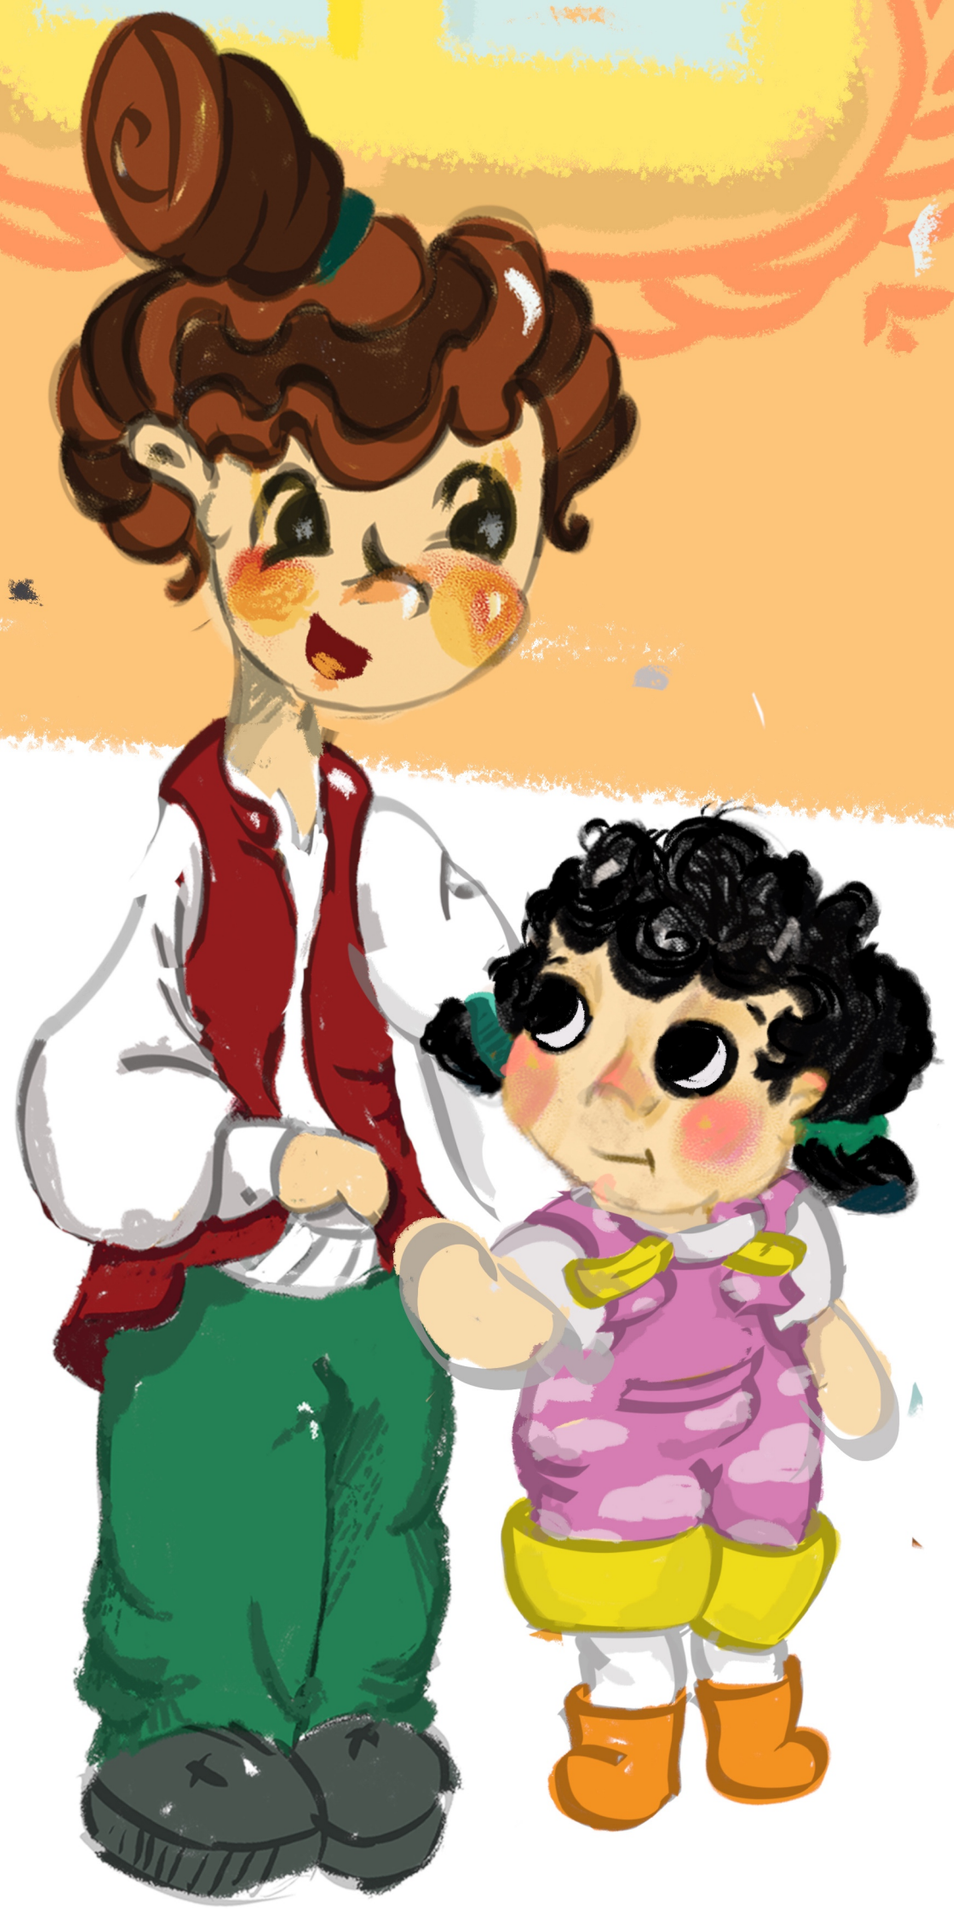
Hi sweetie, How was your day? Did you have fun?

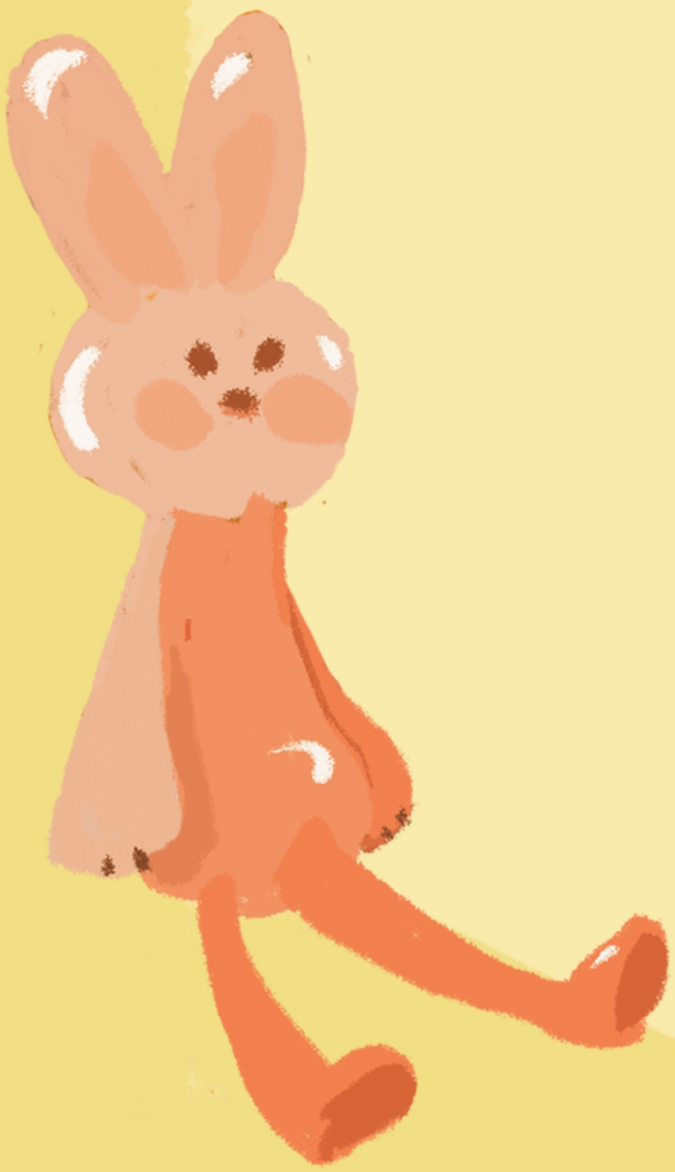
Yes mom, but what are you doing here? I thought You'll be here after an hour!

Sarah and her friend looked at each other and started laughing.

Goodbye Stella.

Bye Sarah.





Stella's mother thanked Ms. Jodi and smiled at her while Stella and Sarah were looking at them happily.
